An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Claims 4-9, drawn to non-elected inventions, have been cancelled.

Authorization for this examiner's amendment was given in a telephone interview with Brian K. Dutton on December 7, 2005.

The following is an examiner's statement of reasons for allowance: Sudo (Journal of Chromatography A 757 (1997) 21-28 and Sudo (Journal of Chromatography A, 737 (1996) are considered to be the closest art because they disclose the use of various endcapping agents. The case has been allowed because it would not have been obvious from either Sudo (Journal of Chromatography A 757 (1997) 21-28 or Sudo (Journal of Chromatography A, 737 (1996) to use the recited endcapping agent of formula 2 in the recited process.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to E. Therkorn at telephone number (571) 272-1149. The official fax number is 571-273-8300.
